Hello Joe,

Attached (ED_002196) are the records that were sent to the White House in the above referenced case. Also attached are all email records currently being reviewed by OEX for release in this case. They are broken up into Part 1, which is the substantive emails, and Part 2, which are all publicly available Capitol Ministries materials that were attached to some of the Part 1 records.

I will check in with the DOJ Attorney on whether **Deliberative Process / Ex. 5** **Deliberative Process / Ex. 5** I believe **Deliberative Process / Ex. 5** and provide you with an update if there is one. Our deadline to make a decision on these records is March 29.

Happy to discuss. Thanks,

Peter
